

Chairman Hans Von Der Osten and Vice Chairman Peter Linnemann after conversation with Head Coach Ferenc Tóth have worded a Welcome letter to the members.

Dear HFK members,

We hope that you have had a good summer! It is nice to see you all in the club again.

As you've probably already noticed, the summer's big story was Patrick's stunning bronze medal at the Senior World Championship. Again, big congratulations to Patrick. A huge congratulations as well as to Laurence for his 6th place in individual- and 5th place in team performance. We will celebrate these impressive results with a reception at the club in September.

Ferenc is back from a well-deserved holiday this week, and we had our first board meeting on Wednesday.

Based on topics discussed at the board meeting, we spent some time on Friday morning reviewing the figures and analyzing the first half of 2015. This was in order to plan activities and evaluate team structure of the second half of 2015. We are currently working on the challenge of reviewing the incoming from membership fees and expenses of the club. At the same time we have to ensure the highest quality in what we do, the economy will naturally put some limits on what we can afford. Therefore changes must be expected.

HFK has always been a club with a fantastic atmosphere, where everyone is always welcome and will continue to be so.

We have become aware of rumours floating around in the club that hold little or no truth. We will of course send out relevant information as quickly as possible to best keep members informed. In the mean time if you have any concerns or questions don't hesitate to contact our Head Coach Ferenc, Chairman Hans or Vice Chairman Peter.

We look forward to an active and prosperous rest of 2015.

Best wishes,

Chairman Hans, Head Coach Ferenc and Vice Chairman Peter.
